## Person-centred care

The most important aspect of care is our people and we know that each member of our team here is determined to deliver the best possible residential and respite care and support, which promotes your independence whatever your needs.

Here at Balhousie Willowbank, we cater for the individual needs and requirements of residential and respite residents.

Our residents enjoy this elegant care home and its warm, lively atmosphere, while being looked after by a genuinely enthusiastic and caring team. Our team is fully trained to meet the needs of residents. Our approach is to improve the quality of life and to reduce the natural worry, anxiety and concern of family and friends.

If you would like to discuss your care needs please contact us: enquiries@balhousiecare.co.uk

## Home from home

Balhousie Willowbank care home is a community of caring people – staff, residents and relatives alike – all working together to ensure a warm, compassionate and comforting environment. We know that it can be a big decision to leave somewhere that has been your home for many years, but the team here is passionate about enhancing your quality of life and really making this your home from home.

We aim to provide the flexibility and comfort you've enjoyed previously, but with the knowledge that, if and when you need support, you're surrounded by professional and caring people.

Our team provides care and support that respects your needs, while balancing this with opportunities to enjoy stimulating company and a wide range of activities.

## Passionate about care and well-being

The prime focus for the entire team is creating an environment based on respect and dignity and providing a holistic approach to the care of residents.

We understand that each individual is unique, with different likes, dislikes, needs and wants. We therefore tailor our approach and service based entirely on each individual. Before you movine in, we'll conduct an individual assessment of your needs and this is continually reviewed and re-assessed.

As well as any clinical requirements, our review will also include learning about your existing hobbies and interests, and discussing new activities you may like to try.

## **Activities**

We know events help improve overall physical strength and mental well-being, and it's a joy to see residents blossom, as our approach brings out the best in them and for them.

Regular organised activities vary and include seated exercises, entertainment with regular shows, Zumba, quizzes and concerts; hobbies, such as arts and crafts, flower arranging, painting and card making; and games.

Events are always optional, but our dedicated activity champions help deliver a full calendar of structured and meaningful activities which family and friends can also participate in, so there's bound to be a lot that appeals.
